

## User Guide - Connect to AVD Desktop

Before you can access your resources, you'll need to meet the prerequisites:

- Internet access.
- A device running one of the following supported versions of Windows:
  - Windows 11
  - Windows 11 IoT Enterprise
  - Windows 10
  - Windows 10 IoT Enterprise
  - Windows 7
  - Windows Server 2019
  - Windows Server 2016
  - Windows Server 2012 R2
- Download the Remote Desktop client installer, choosing the correct version for your device:
  - **Windows 64-bit** (most common)
  - Windows 32-bit
  - Windows on Arm

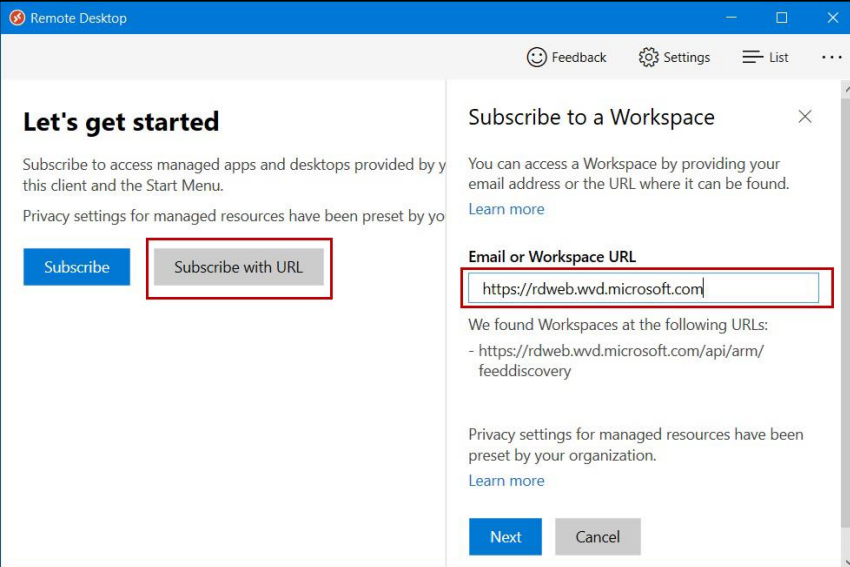

Download and Install **AVD Remote Desktop Client** from below link.

<https://learn.microsoft.com/en-us/azure/virtual-desktop/users/connect-windows?tabs=subscribe-with-url>
